Matching Entrance Door

Matching entrance doors are custom designed to match and line up with adjacent Arm-R-Lite overhead sectional doors. All aluminum and glass models by Arm-R-Lite are available with Matching Entrance Doors. Our matching entrance doors operate as swing-out doors, separate from the adjacent Arm-R-Lite overhead door. Please refer to our pedestrian pass door for egress options within our overhead garage doors. Matching entrance doors are not sold separately and are only available with the purchase of an aluminum and glass overhead sectional door by Arm-R-Lite.
