

Titan™ Model - Windloaded

The Titan™ Model from Arm-R-Lite is our most popular aluminum and glass overhead sectional door due to its symmetrical rails and stiles. This model is available with or without windload and can be manufactured up to 24'-2" wide. Since 1958, Arm-R-Lite has been consistently manufacturing the Titan™ Model and has never compromised on the quality of our doors. Because of this, Arm-R-Lite is able to produce replacement sections for any of our welded models, regardless of purchase date. In addition, the Titan™ Model comes with an unmatched 20-year welded frame warranty except for the top section when trolley operated.

- **Maximum Width of 24'-2"**
- **Windloaded**
- **20-Year Welded Frame Warranty***
