

# Contempo Smooth Model™

COMMERCIAL | RESIDENTIAL

RESIDENTIAL PROPERTY, NY  
PHOTO AND INSTALLATION BY AJ GARAGE DOOR & SERVICE

*The Contempo Smooth Model™ (or CSM) features a completely flush and smooth exterior with no texture.*

It was developed to meet the needs of today's green, heated buildings providing an R-value of 16.0. The sleek, textureless, modern appearance is perfect for contemporary residential applications as well as commercial properties. This model is also available with a matching flush interior for an upgrade. Custom door heights can be designed with the standard sections heights of 18", 21" and 24" sections.

- Completely Smooth and Textureless Exterior
- Over 70 Color Options
- Custom Finishes Available
