

Malibu

COMMERCIAL | RESIDENTIAL

Malibu is designed with multiple, narrow section heights while maintaining the widest possible panel widths.

Born from the sleek and modern vibe thriving on the sunny California coast, ArmRLite's Malibu Model is the perfect choice for a more modern garage door style. Since 1958, ArmRLite has been consistently manufacturing overhead sectional doors and has never compromised on the quality of our doors. Because of this, ArmRLite is able to produce replacement sections for any of our welded models, regardless of purchase date.

- Maximum Width of 24'-2"
- Narrow Section Heights
